Summary

Mi propósito profesional es diseñar y liderar soluciones digitales centradas en el usuario que generen impacto real en el negocio. Me apasiona la innovación con sentido, el desarrollo de equipos y la aplicación de métodos ágiles para acelerar la entrega de valor.

Combino pensamiento lateral, empatía y creatividad para impulstar proyectos de transformación digital, incorporando Inteligencia Artificial, automatización y nuevas capacidades tecnológicas cuando aportan verdadero valor.

Disfruto conectando negocio y tecnología, identificando oportunidades de mejora y guiando a los equipos hacia soluciones más eficientes, humanas y sostenibles.

Mi motivación es seguir liderando iniciativas donde la IA aplicada, la innovación y la agilidad se unan para transformar procesos y ayudar a las organizaciones a evolucionar.

Responsable proyectos IT

September 2025 - Present (1 year 2 months)

Barcelona, Catalonia, Spain

Trabajo en el Departamento de Innovación Digital y Automatización, donde gestiono proyectos estratégicos que incluyen Inteligencia Artificial, automatización y nuevas capacidades tecnológicas como palancas de clave de transformación.
Colaboro estrechamente con diferentes áreas y stakeholders para alinear necesidades de negocio con soluciones tecnológicas avanzadas, garantizando en todo momento calidad, enfoque de usuario y resultados sostenibles. Mi objetivo es impulsar proyectos que aceleren la transformación

digital y preparen a la organización para un futuro más inteligente, eficiente y conectado.
